## OFFICE ORDER

The following committee has been constituted to study the need to establish an institute-wide committee like the Computer Center Coordinator's Committee (CCCC) which has the responsibility to review/establish institute-wide policies for digital infrastructure and automation, as well as recommend purchases of software and hardware for the institute.

1. DDIA (Chairman)
2. Prof. A. R. Harish (EE)
3. Prof. R. Sankararamakrishnan (BSBE)
4. Prof. Nitin Saxena (CSE)
5. Prof. Ashoke De (AE)

If the committee is recommending the formation of a committee like CCCC, then the functions, constitution, and mode of functioning of the committee may also be proposed.
