Closing Date: - 30th August, 2013

Sealed Quotations are invited for the supply of 125 IRAV plates containing mouse full-length cDNA clones.

Article required:

- We are interested in procuring 125 plates from mouse IMAGE collection. IMAGE clones are part Mammalian Gene Collection, a NIH, USA initiative (<http://mgc.nci.nih.gov/>).
- Bids are invited for the supply of 125 IRAV plates containing mouse full-length cDNA clones.
- Please specify the price per plate as well as price for 125 IRAV plates.
- Any dealer offering opportunity of future purchase at prorated price from the same collection will be given preference.
- The successful bidder must guarantee delivery of the plates under temperature controlled conditions so that the clones are viable at the time of delivery.
- Kindly submit the technical bid and price bid separately, each in duplicates to the undersigned by 5PM, 30th August, 2013.

Your quote should mention the following:

- Validity at least for 90 days
- Please mention FOB as well as CIF values, separately.
- Indian agency commission if applicable (should be certified by the principal if no agency commission is applicable)
- Authorization certificate from the principal if you are an Indian agent.
- Terms and conditions for the payment, including the banker's name of the principal and the account number, if any, or telex transfer.

Please include the technical literature to support your product.

Sincerely,
