(DEPARTMENT OF MECHANICAL ENGINEERING)**

Subject: Request for Uploading the Tender Document on institute web site.

Enquiry NO: NSV/ME/ADA/2013-2014-02 closing date: 18th November 2013
Through: Head, Mechanical Engineering

Name of Item: Tender for Data Collection from an Instrumented Family Car under different operating conditions

Sealed Tenders are invited to carry out vehicle trials and data is to be collected under dynamic and regular usage of vehicle. The scope of work for this is to collect data from an existing Instrumented small family car using the Data Acquisition System and Software provided by IIT Kanpur. The required sensors, Instrumentation shall be provided by IIT Kanpur.

The agency provided with the contract shall collect the data from multiple sensors instrumented in a healthy car. The various sensors instrumented in the car include Accelerometers, Microphones, Pressure sensors, Travel Sensors and Thermocouples. The data collection shall also be done for simulated faults in the car under different operating conditions as guided by IIT Kanpur. The data collected shall be transferred to IIT Kanpur for further analysis.

The duration of Data Collection is expected to be between one to two weeks. The quote must include the Technical Qualifications and Experiences of the agency and its representative in carrying out such similar works.

Terms & conditions.

1. Enquiry will be sent by courier / registered post / speed post and IIT Kanpur will not be liable for any kind of irregularity/delay.
2. The quotation should be enclosed in a properly sealed envelope addressed to the undersigned.
